DATA WE GATHER

While going through the website you may have uncertainty regarding a) What Information does Funongo Media & Entertainment LLP collect, b) Why does Funongo Media & Entertainment LLP Collect these Information. To make all these uncertainties clear, we bring to your knowledge that collecting information from you is being done on a voluntary basis. Our primary goal in collecting Personal Data is to provide you, the user, with a Unique and Customized experience on our Site and to deliver best services, products, and more relevant contents to you, and visitors.

a. Collection of Information

We may use cookies to track general, non-Personal Data about our users (e.g., user name, pages viewed, time spent our Site, and the websites visited just before and just after our Site) for statistical and market research purposes. The information is collected on an aggregated and anonymous basis. We use cookies to gather information about our Site users' browser activities in order to constantly improve our Site and better serve our customers. This information assists us to design and arrange our web pages in a most user-friendly manner and to continually improve our Site to better meet the needs of our customers, prospective customers, and visitors.

Like most Internet services, we may also use log files on the server side. The data held in log files includes your IP (Internet Protocol) address, browser type, e-mail application, Internet service provider, referring/exit Web pages, computer platform type, date/time stamp, and user activity (e.g., feature usage, user rankings, game statistics). Funongo Media & Entertainment

LLP may use server log data to analyze trends, administer the services offered through the Site. IP addresses are not tied to any personally identifiable information.

In addition, the software enabling the Site may have associated log and temporary files that are stored on Funongo Media & Entertainment LLP's servers. These files store your account information, preference settings, system notifications as well as other data necessary to enable you to participate on the Site. Your information may also exist within regularly performed server backups. The foregoing information is collected on an aggregated and anonymous basis.

When any game is updated or "patched," our patch routine may check your computer to see that you have the most recent version of game-specific files.

b. Methods for Collecting Information:

- *Anonymous Site Visitor:* If you visit our Site we may record information related to your IP address, cookie information, and aggregate information on what content you access or visit. This information is collected in the background while you move around our Site.
- *Mailing List Member:* If you choose to provide us Personal Data in order to subscribe to our mailing list or newsletter, we may collect information to aid delivery and preferences such as e-mail address and message performance statistics.
- *Registered Site Member:* If you choose to register on our Site, we may track broad site usage information as well as aggregate usage of website community features such as downloads and forums. This is in addition to the Personal Data collected during the registration process.
- *Mobile:* We may use tools or third party analytical software to collect and use certain non-Personal Data that does not enable us to identify you. The types of non-Personal Data we may collect and use include, but are not limited to: (i) mobile device type and device properties; (ii) mobile device software platform and firmware; (iii) mobile phone carrier; (iv) geographical data no more accurate than metropolitan areas; (v) game score and achievements; (vi) other non-Personal Data as reasonably required by us to enhance its services. We may use the collected data for purposes of analyzing usage of our games, managing and providing our games and to further develop our services and products.
- *Message Boards:* If you use a message board or forum on this Web Site, you should be aware that any Personal Data you submit there can be read, collected or used by other users of these forums, and could be used to send you unsolicited messages. We are not

responsible for the Personal Data you choose to submit in these forums. The message board must be signed up for separately from the game and is subject to Terms of Use.

- *Promotions through Electronic Mail:* To participate in some of our promotions, you may be asked to provide an e-mail address and/or name, so that we can let you know if you won a prize. We may use e-mail addresses to fulfill requests for promotions or services. Occasionally, we share your Personal Data (e.g., e-mail address) with a third party sponsor, co-sponsor, or other reputable third party that provides products or services that may be of interest to you. By allowing you to send e-mail to us, we are not attempting to collect any Personal Data about you. We will only use Personal Data (such as name and e-mail address) contained in your e-mail to respond to your specific inquiry or comments in the e-mail. Although we may retain your e-mail for a period of time, we will not use any Personal Data contained in your e-mail for any purpose other than responding to your specific inquiry or comments. Whatever the activity may be, we will only collect information to the extent deemed reasonably necessary to fulfill your requests and our legitimate business objectives. If you no longer wish to receive our email newsletter and promotional communications, you may opt-out of receiving them by following the instructions included in any newsletter email message. We also offer an opportunity to opt-out of certain communications on our Manage Account web pages, or you may contact us at chillx.support@funongo.com or use the email or physical address listed under the heading Unsubscribe in newsletters / Emails.
- *Game Software:* If you install or use any of the game software offered by our Site, we collect and aggregate a variety of data to monitor system and simulation performance, and to verify your unique identity. This may include specific and general information about your computer hardware and Internet connection, which are stored together but are not personally identifiable. This is in addition to the Personal Data and other Personal Data collected during the registration process.
- *Credit Card Use and Payment Transaction:* FUNONGO MEDIA & ENTERTAINMENT LLP utilizes a credit card processor to process your payments while on our site. We share your name, email address and credit card information with these third parties to provide the service requested. These third parties are not permitted to use your information for their own promotional purposes. Alternatively you have the option to use the payment options as mentioned and listed in our website.

If any payment transaction occurs on our Site, we collect information about such transaction, including credit card numbers or other billing information.

- *Voluntary Disclosure of Personal Data:* You may choose to disclose Personal Data in our online community features, blogs, in-game chats or other public forums, directly to other users while using the Site service. Please be aware that such information is public information and you should not expect privacy or confidentiality under these circumstances. Funongo Media & Entertainment LLP shall not be liable in any way for such disclosure of Personal Data.

HOW WE USE YOUR PERSONAL DATA

The information which we collect and store during normal use of the site is used to monitor use of the site and to help its further development. Such use does not always result in any personally identifiable data being collected or stored.

As mentioned earlier a number of pages in this website has the option for submitting Personal Data and as such all these communications are not confidential. Any application, request or enquiry you make, may be passed or made available to Group affiliates, some of which may be based in countries that do not have data protection laws. All Group affiliates are required to comply with an internal Privacy Policy which requires that steps are taken to protect your Personal Data and for it only to be used for the purpose(s) for which it was submitted.

By submitting your Personal Data through this website, you shall be consenting to it being processed in the manner described above by Group affiliates.

We use your Personal Data for operational purposes only. For example, we may use your information to send you administrative communications either about your account with us or about features of our Site, including any changes to this Privacy Policy. Whatever the purpose may be, we will only collect information to the extent reasonably necessary to fulfill your requests and our legitimate business objectives. We attempt to limit access to Personal Data about you to employees who we believe reasonably need to come into contact with that information to provide products or services to you or in order to do their jobs.

We may occasionally employ other companies to perform services necessary for our internal operations, such as companies that personalize our web pages, process credit card transactions, analyze customers' interaction with our Site, and process consumer surveys. We also provide postal addresses to the Post Office for delivery purposes. While providing their

services, these companies may access your Personal Data. These companies have agreed to securely store and maintain the Personal Data received from us.

Finally, we may take your Personal Data and make it non-personally identifiable. We do this either by combining it with information about other individuals (aggregating your information with information about other individuals), or by removing characteristics (e.g., your name) that make the information personally identifiable to you. This process is known as de-personalizing your information. Given the non-personal nature of this information, no restrictions apply under this Privacy Policy on our right to de-personalize your Personal Data. We may use de-personalized information in any way and share it with third parties without your consent.

We might process your Personal Data for additional purposes that are not mentioned here, but are compatible with the original purpose for which the data was gathered. To do this, we will ensure that:

- the link between purposes, context and nature of Personal Data is suitable for further Processing;
- the further Processing would not harm your interests and
- there would be appropriate safeguard for Processing.

We will inform you of any further Processing and purposes.

WHEN DO WE DISCLOSE YOUR PERSONAL DATA?

We will disclose Personal Data when we believe in good faith that disclosure is required by law (e.g., court order or subpoena) or such disclosure helps enforce (i) our Terms of Use, contests, sweepstakes, promotions, or game rules; (ii) protect your safety or security, including the safety and security of your property; or (iii) protect the safety and security of our website or third parties.

HOW DO WE SECURE YOUR DATA?

The security of your data is important to us and our third party vendors. When you enter sensitive information (such as credit card number and/or social security number, Pan number or other details) on our site or an affiliate sign up page, registration or order forms, both we and our third party vendors encrypt that information using secure socket layer technology (SSL).

We follow generally accepted industry standards to protect the Personal Data submitted to us, both during transmission and once we receive it. No method of transmission over the Internet, or method of electronic storage, is 100% secure.

OUR COMMITMENT TO CHILDREN'S PRIVACY

The Site will not knowingly collect, use or retain Personal Data from anyone under the age of 13, for any purpose whatsoever (including internal or external marketing or promotional purposes). If you are under the age of 13, you will need your parent or guardian's consent before you can provide any personal information to us for purposes of registration and other online activities.

By registering to this site we have reasons to believe that you have taken required consents from your Parents / Guardian.

ACCESS, CHANGE OR DELETE DATA

a. By Parents about their children

Once again, we would like to assure you that we do not keep any information other than what is listed above. However, parents are welcome to contact us about any Personal Data about their child by email. If your child's personal changes, or if you no longer desire our service, you may correct, update, or delete it by making the change by contacting us at the email address chillx.support@funongo.com We will respond to your request to access within 30 days. Parents may request for

- 1) we discontinue collection and use of their Child's Personal Information
- 2) we delete the Child's Personal Information

Which can be done by contacting us at the email address provided above.

b. By Users

If your Personal Data changes, or if you no longer desire our service, you may correct, update or delete it by making a request to us or by contacting us at the email address provided above. We will respond to your request to access within 30 days.

Therefore, while we strive to use commercially acceptable means to protect your Personal Data, we cannot guarantee its absolute security. If you have any questions about the security of our website, you can email us at chillx.support@funongo.com
